EIIL - Online Update

MASTERCLASS WORKSHOPS REDESIGNED FOR PARTICIPANTS

Completely redesigned virtual workshop format:

- learning through insights from industry seniors, expert coaches and participants
- focus on skill development not just acquiring knowledge
- online networking with industry peers, alumni and seniors from the EIIL network
- collaborative, creative online tools and one-to-one coaching develop skills needed for effective remote team-working
- engaging and challenging activities reduce 'screen-fatigue'

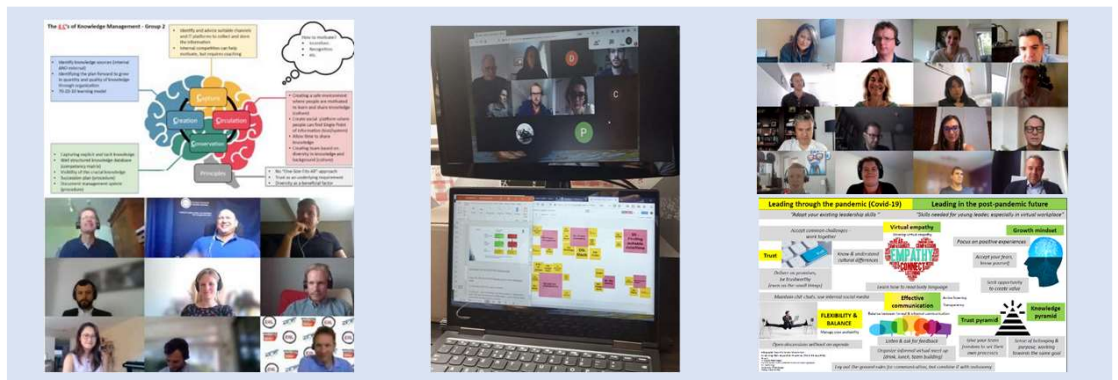

ONLINE MASTERCLASS WORKSHOPS - PARTICIPANT TETIMONIALS

- That was above expectations ! I learnt a lot. - Department Head, McDermott
- Was my first online workshop ! and worked out well. Good support, excellent delivery. Well done. - Laboratory Manager, Covestro
- Remote worked really well. I can adopt some methods to everyday work immediately. - Project Manager, Neste

FOR YOUR COMPANY

All the benefits of the EIIL programme without the travel:

- energised participants learning to engage with others as they explore the workshop topic whilst working from their home office
- a motivating experience at a difficult time
- immediately useful skills to bring into work, whether office or home working.
- uses familiar, robust video-conferencing tools that work across member companies' IT platforms
